JACK STEVENS CASE
CONTINUED BY
THE CITY

In a brief session of the municipal
court this morning, A. Hansen, a
drunk, was given a five-day suspended
sentence. He was arrested last night
at the Union depot by Officer J. H.
McIntyre.

The preliminary hearing of the case
of the State of Utah vs. Jack Stevens
was called, but owing to the absence
of one of the state's witnesses, the
hearing was continued until May 12.
The defendant is charged with a sta-
tutory crime, the complaint having
been sworn out by his wife. He was
represented by Attorney A. G. Horn
and, when the attorney for the pro-
secution moved for a continuance, At-
torney Horn objected on the ground
that he expected to be out of the city
during the next few days and said
that he did not think it would be
right for his client to remain in jail
a number of days without a hearing.
The attorney for the state then amend-
ed his motion to include the release
of the defendant on his own recog-
nizance and the amended motion was
granted.

MOVING PICTURE OF
SCENES IN CITY
BEING MADE

A moving picture film is being
made today by Photographer Roy L.
Noggle to be used by local merchants
for advertising purposes. The
scenario of the film has to do with
a "hobo's" dream. According to the
plot, a "hobo" was to go to sleep
near one of the freight tracks in the
local railroad yards. He was to be
photographed while in the arms of
Morpheus and then the film makers
were to make a trip about the city,
recording the business district and a
number of the civic, education and
industrial institutions. These pic-
tures are to be utilized as the
"dream" referred to. The end of
the reel will be the awakening of the
"hobo," by Sergeant Charles Layne,
who agreed to do the awakening
"stunt" by hitting the "hobo" on the
bottom of his feet with a billy-club.
The film will be shown at one of
the local theaters as soon as it is
perfected.

SALE OF STOCK LEADS
TO RECOVER THE
MONEY PAID

The second hearing of the case of
Henry Huseman, et al, against the
Davis County Light & Power com-
pany et al, is occupying the time of
Judge Howell and a jury. The jury-
men being: Axel A. Nylander, S. P.
Brooks, Lawrence N. Mallan, Theo.
Kuchler, J. H. Brown, B. J. Griffin,
J. J. Harrison and S. W. Campbell.
The suit was instituted in the dis-
trict court more than a year ago to
recover the price of certain stock of
the defendant company which is
claimed to have been purchased by a
number of parties under false rep-
resentations, the amount involved be-
ing about \$5000. There are 21 causes
of action arising from individual ac-
counts which were assigned to the
plaintiff for collection.
The plaintiff alleges that the de-
fendant company's representatives
sold the stock in question under the
representation that the company was
in a flourishing condition and that
the investment was a good one, but
that it afterwards was disclosed that
the business was not a success. The
plaintiff was given judgment in the
first trial in the sum of about \$1100.

HORSE RACING AT THE
FAIR GROUNDS ON
MAY 30

Indications are that Ogden is to
have one of the fastest and most com-
plete programs of horse racing and
athletic events on Decoration day that
has ever given in the city. The
Ogden Driving club, which opened its
books today for entries in the harness
events, has received a number of in-
quiries from Weber county men re-
specting the racing plans and these
have been followed by assurances
that there will be entries in the con-
test.

In order that all horses may have
a chance to show their ability, Secre-

tary Shafer of the club says that the
club will make a number of classifica-
tions, according to try-out speed and
and previous records.

While a program of athletic events
that is replete with interest has al-
ready been announced, the club offi-
cials are ready to arrange for other
features of the program in case there
are indications of special enthusiasm
along any other lines. In fact, the
Ogden Driving club is eager to give
a complete showing of sports on Sat-
urday, May 30, in order that Ogden
people can find enough interest in
Ogden to keep them from going to
other communities to enjoy the holi-
day.
